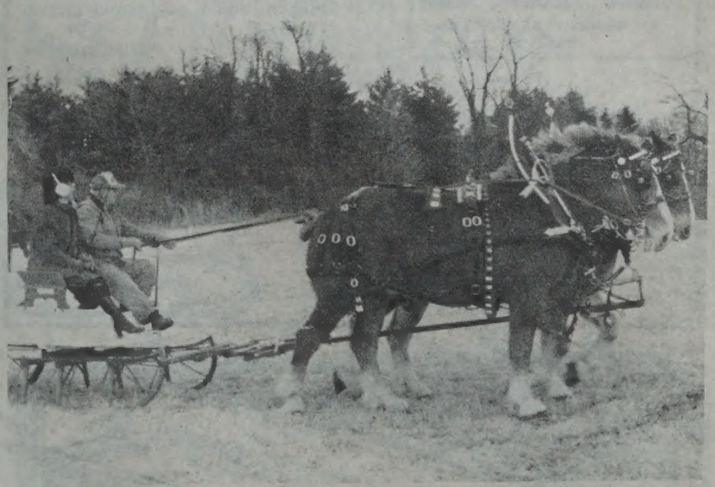
Waters Farm Draws Crowd [illegible] Sleigh Rally goes off with Plenty of "Hitches"

SUTTON - Despite a lack of snow, the Waters Farm Sleigh Rally went off as scheduled on Sunday. A cold winter wind kept some visitors huddled around a bonfire, where "Sparky" Red Bedrosian was in charge of keeping the home fires burning.

Some things never change. It looks like Nancy Lavoie is telling Marcel how to drive his sleigh in the competition.



John Hebert is encouraging Beth and Abby to pull harder as visitors huddle together in the sleigh, enjoying a taste of old fashion winter transportation.

Wally Johnson drives a pair of Belgian geldings belonging to the Moroney family of Sutton. Joan Moroney is seated beside Johnson to make sure he does the job right.

We the people..

Selectmen called Unresponsive to Will of the People

To the Editor:

Once again, the Millbury Board of Selectmen have shown that they are not responsive to the will of the people. Last fall, at a special town meeting, the townspeople overwhelmingly defeated an attempt by the Board of Selectmen to remove the position of Chief of Police from civil service. Following that meeting, the board refused a request by this association to restrict the testing for a chief to the members of the Millbury Police Department and instead called for a statewide test. That test was scheduled for February 4, 1989.

One week prior to the administering of that test, the Board of Selectmen agreed to postpone any action regarding the position of Chief for one year at the request of the provisional chief, citing the reason that the present provisional Chief had not had sufficient time to study for the test on February 4.

One week ago, the Board of Selectmen voted to again place an article in the warrant for the next annual town meeting to remove the position of Chief of Police from civil service. (Sound familiar?)

If the Board of Selectmen are attempting to bring harmony and professionalism to the Police Department, they are certainly doing everything in their power to undermine that which they profess to be doing. Enough is enough! Let the process continue as it was designed to do. Why cannot elected officials, even at this level, follow the wishes of those who elect them?

Frederick T. Vulter
President
Millbury Police Association

Thank You...

We thank you for the kindly thoughts and sympathy on the passing of our brother Wilfred. It was a comfort in our time of sorrow.
The Despard Family

Millbury Arts Council Accepting Applications for Spring Funding Cycle

MILLBURY - Applications are now being accepted for the Spring Funding Cycle of the Millbury Arts Council. Applications are reviewed only in May and November.

The present application forms are new and will be available at the Public Library and the Town Hall.

Anyone in possession of application forms obtained in the past is asked to destroy them since they are now obsolete and will not be considered.

The new application forms must be typed and two copies made, besides the original. Upon completion, applications may be deposited in the box at the Town Hall designated for Millbury Arts Council or given to a member of the Council.

Applications must be received no later than Monday, March 13. On this date, the Millbury Arts Council will hold an open meeting. Applicants are invited to attend this meeting and present their requests in person. The exact time and place will be announced later.

Calendar

FRIDAY, FEBRUARY 17

MILLBURY - O.E.S., Masonic Hall, South Main Street, will hold a Whist Party at 7:30 p.m. Admission will be $2.00.

SATURDAY, FEBRUARY 18

SUTTON - The Senior Pilgrim Fellowship of the First Congregational Church of Sutton will hold its 11th Annual Spaghetti Supper at the church on Boston Road from 5 to 7 p.m.

WEDNESDAY, FEBRUARY 22

MILLBURY - The Women's Fellowship of Raymond Memorial Congregational Church, 5 Raymond Street (near Exit 11 of the Mass Pike), will hold a Dessert Whist at 1:30 p.m. Tickets are $2.00. In the event of stormy weather, the party will be postponed to March 1.

Millbury Selectmen's Meeting Digest

Board Appoints DPW Study Committee

By Edward J. Cooney

MILLBURY - The February 7 board meeting was delayed until a quorum was reached at 7:08 p.m. All members were present with the exception of Selectman Wynton Adams.

Transfer Station Bonds

Assistant Town Clerk Frances Gauthier was in attendance to seek the board's signatures on bonds totaling $1,100,000 for construction of the Transfer Station. The board approved signing the bonds and spent the next 10 minutes affixing signatures to each bond.

Sergeant's Exam

Police Chief Ronald Stokowski informed the board that 99% of eligible personnel in the department were interested in taking the police sergeant's exam on April 8th. Chase noted that Civil Service has not been notified but he said he would begin doing the necessary paper work.

Contract Negotiations

The board then discussed a proposed interim agreement prior to negotiations for a new contract involving Local 495.

The agreement grew out of an attempt to resolve previous filed grievances involving holidays and compensatory time. Personnel Chairman Craig Coppola said that the board has faced this before and agreed that labor counsel should review the language.

Coppola told the board that the union has agreed in principal with what the agreement attempts to do but has not seen the language. Cristo suggested that before the board approves it, the draft should be run by the union first. The board concurred.

The board also approved Coppola's request to use the labor counsel to review labor union contracts and make recommendations.

Insurance

Chase brought up the topic of insurance for elected officials. A recent news article in *The Evening Gazette* reported that Selectmen in the Town of Leicester voted to drop elected officials receiving less than $5,000 annual compensation from the town from the town's participatory group health insurance program.

Chase said that there was no clear direction from the State Group Insurance Commission nor a court decision. According to Chase, counsel's opinion is that persons covered must be compensated to be eligible. "It is our consultant's opinion that it is questionable as to what the courts will do."

Lachance said that when he was first elected to the board he had brought up this issue and once again two weeks ago when he asked for a list of those subscribers covered by Blue Cross/Blue Shield. "I would like to see those figures. I am interested in tax dollars being spent not the personalities of those people involved," he said.

Veterans Office Budget

The board met with Veterans Agent Phil Buso to review and discuss the budget for that office. Cristo noted that the budget prepared by Buso was pretty much level-funded with an increase of only $234 over last year's budget.

Cristo commended Buso for the fine job he has been doing since taking over the office in November. The board voted 4-0 to approve the budget and pass it on to the finance committee.

Cable T.V.

At 8:00 p.m., the board met with representatives of the Cable T.V. Oversight Committee who were present to request approval for subscribing to a monthly information report. It was explained that the report would keep the committee updated on research and information which can be used by the committee in renegotiating a contract with Greater Media. The subscription costs $250 and would begin July 1 for the next fiscal year.

Cristo suggested that Chase meet with the chairman of the committee to study the possibility of setting up a budget. It was noted that Greater Media and other media services are trying to establish 15-20 year contracts with communities. Chase said that state law presently establishes a maximum of 10 years for renewals of contracts.

According to committee member Maureen Belsito, current service has been improved in some areas of town as a result of follow-up on complaints.

SELECTMEN

from Page 3

Robert Sullivan, another committee member, said that there are many other complaints that are never recorded because the committee does not always hear of them.

In a related matter, Lachance suggested that Chase advertise for individuals to fill two vacancies on the oversight committee.

Warrant Articles

Chase then referred to the list of articles for the warrant for the annual town meeting. He noted that three articles were omitted but will be included on the list. He suggested that the board wait another week before closing the warrant.

Computer for Selectmen's Office

The board suggested that Chase check into the possible acquisition of a computer and software for developing data and information for the board of selectmen relative to the financial picture of the town.

Cristo brought up the matter to his colleagues in reaction to a meeting held with departments heads in which information relative to the town's financial situation was sketchy and not readily forthcoming from those in attendance.

Lachance suggested that some of the hesitancy on making statements relative to finances may have been because the press was in attendance. He suggested that a more informal session with the board, not during a regular meeting, may be more appropriate.

Board Votes to Commend Plant Manager

It was mentioned that Wheelabrator-Millbury Plant Manager Dan Radebaugh has tendered his resignation and is moving to a new job in Florida, closer to his family ties. Lachance suggested that a letter of commendation from the board be sent to Radebaugh for his work in managing the Resource Recovery Plant. The board concurred on a 4-0 vote.

Transfer Station

Chase reported that footings for the foundation of the transfer station at the landfill have been poured.

Millbury Ave. Reconstruction Project

According to Chase, he has not heard anything from the Department of Labor and Industries regarding an appeal heard by the Department relating to bids for the Millbury Avenue Reconstruction Project. Cristo suggested that Chase contact Representative Kollios for assistance in getting a resolution.

D.P.W. Study Committee

On a motion by Lachance, a D.P.W. Study Committee was established, combining the D.P.W. Council and seven volunteers from the community. The eleven-member committee will be composed of the following: James Dwinell, Kathy Klein, Larry Bird, George Buron, Raymond Lee, John Donnelly, Joseph Chase, Karen Kenary, Hy Sclar, Frank Piscitelli, Anna Lewandowski.

Building Inspector

No action was taken on approving a request from the Planning Board to create a full time building inspector's position. The present part time position pays $5,000 per year. The board suggested that more information be obtained from other contiguous communities that have full time building inspectors to develop a job description, salary and scope of duties to be performed. Cristo noted that the position would require additional duties beyond inspecting if it was to "fly here."

New Business

Lachance brought up an item under new business that he said was prompted by statements in a newspaper article. According to Lachance, the article mentioned remarks made by a consultant for the Town of Sutton indicating there may be a need to expand the capacity of the Millbury Sewerage Treatment facility in order to take care of Sutton's sewerage needs.

"I have said this before and I am going to say it again," Lachance remarked. "I, as a taxpayer, will never see sewer up in West Millbury. I feel I have paid enough for Millbury sewerage without paying for the Town of Sutton's. How much do we get in fees that would justify enlarging the plant for Sutton?"

DEADLINE

The deadline for all submissions to the *Millbury-Sutton Chronicle* is 12:00 noon on Saturday of the week prior to publication.

HERE . . . THERE . . . EVERYWHERE

Bits 'n Pieces

. . . Joe Morin

HI! GUYS AND GALS!...I'm back again, one more time, with a little of this and a lot of that! Hope you all bear with me. Let's try to make some kind of sense of what's going on in this funny, mixed-up world of ours. Lot of serious goings-on, just as much funny business, also. So let's get with it, no more dilly-dallying!

HOW ABOUT OUR Bozo friends down Washington way! They tried to pull a sneaky one on us and get away with it! But we fooled them critters, didn't we? We had the last laugh. The Three T's did it: Telephone, Telegrams and Tea Bags, in protest. That's the only ammunition we have to combat these varmints when they act the way they do. They'll get a raise when they deserve it, when they earn it, the hard way, by working for it! Have to find a way to "break up" that BSA Club! As mentioned before, some of those guys will be eligible for million dollar pensions. Only in America....**I WONDER** what's going thru the minds of those senators - inquisitors - on the Tower Confirmation Committee! Here they are saying "shame on your boozing it up, shame on your drinking!" Senators who live in glass houses shouldn't be throwing stones at others!...**SPEAKER** of the House Jim Wright, something about him that's not kosher! His grin? At least he's right at home as Chairman of the BSA Club of America. Enough politics, let's get on with the real world....

STICK 'EM Up!...Had to mail out some insurance papers. Tried to attach two stamps, didn't stick....Put on tape to hold stamps down...mailed letter...it came back a couple of days later with notation not to cover stamps with tape. How in the hell are you going to get them to stick? Instead of spending millions on those counter top computers, how about investing in a glue that sticks!

A YOUNGSTER suffering with a cancerous brain tumor appeared on TV the other day and was asked how he coped with all his problems and maintained a smile on his face. He replied, "You see ma'am, I have a little saying over my bed which reads: Lord help me to remember that nothing is going to happen to me today that You and I together can't handle!"...How about that!

SHOPPING AROUND...Picked up a can of lobster meat a few weeks ago at Goretti's on Grafton Street. The guy at the meat counter didn't put a price on the can for me. He told me they would at the checkout counter. I told the gal, kiddingly, that if it's over $10 I don't want it. It came to $10.98! A ridiculous price, but I bought it. Couple of weeks later, the same item was selling for $8.98. Highway robbery....**CHOLESTEROL**? Try that 3-pack of Scramblers, no cholesterol. Selling for .98 at Shaw's, other stores, $1.49....**JUAN VALDEZ**, the coffee baron, better get his act together. Quite a mix-up with coffee in 11 ounce, 13 ounce, and 1 lb. cans. Eleven ounce cans cost as much as a one pound can did a few years ago. Boy, are the consumers being ripped off!...**BOUGHT** a large package of breaded fried clams at BJ's in Westboro. All batter, no clams. What little clams there were tasted like salted links of wire, they were that bad!...**LOW FAT** milk tastes lousy? Try adding a tablespoon of powdered milk to it!

SUPERSTITIOUS?...Ronnie and Nancy Reagan's home address in Los Angeles was, originally, 666 Saint Cloud Avenue; they had the number changed to 668, something to do with the number 666 being the anti-Christ's number. People are still playing with numbers. Personally, I'll stick with megabucks!...**THE SILVER FOX!** Yupp! That's what George calls his first lady. She's quite a gal, down to earth, unpretentious and loves fishing! Now that's a first lady we can all be proud of!

BIT'S 'N PIECES....Couldn't sleep the other night, got up looking for something to eat. Had a bowl of cornflakes (with low fat milk of course). Spotted a dish of blueberries (I thought); spread same over flakes. Surprise! Surprise! Dem blueberries were peas! What a ding-a-ling! See, ya never know...."**PRAYER** Keeps Patients Healthy" was recent headline in a local paper. It mentioned that hospitalized heart patients had slightly fewer medical complications when other people prayed for their recovery. Hey! I knew that!..."**SIMPLICITY OF DRESS**...She tends to support propriety of character without partaking of the follies of luxury and ostentation...." No, we're not referring to Nancy Reagan or Imelda Marcos. That quote was from Uncle George (Washington) of course, our first pres, talking about his wife, good ol' Martha....**DID YOU KNOW** that the heart that is truly happy never grows old? We don't cease playing because we have grown old; we grow old because we have ceased playing....**TAX THIS**; TAX that! That's what they're doing. All those fee increases, registry, real estate, are taxes! It takes 13 billion to run this state, do you believe it? I suppose, what with welfare and political pension plans, patronage. Quite a state, what a mess! Wagons, **HO!**,..**EVEN THE** baseball players are out to make a fast buck at the expense of their fans. Imagine a kid asking his dad for eight bucks so he could have Roger "Cheap" Clemens' autograph! Sports as we know it doesn't exist. Business, big bucks, that's sports!...**SPEAKING OF** Big Bucks! The

On The Shelf

By Rosemary Waltos

Below is a list of outstanding popular general fiction titles published in the last year. Books for this list were selected from the popular fiction collection at the Millbury Public Library. You'll find these titles in the new books section of the library.

HALF-WITS, by Gerald E. Goggins. This compelling suspense novel is by first-time novelist and Worcester native Gerald Goggins. Taking place in Boston, the story is about one man's attempt to escape the past to avoid the future. A page-turner to the end.

BREATHING LESSONS, by Anne Tyler. From the best-selling author of *DINNER AT HOMESICK RESTAURANT* and *ACCIDENTAL TOURIST*, we have here a novel that explores the expectations and disappointments of 28 years of marriage.

THE QUEEN OF THE DAMNED, by Anne Rice. This is third book in Rice's extraordinary "Vampire Chronicles." Rice continues the story that includes one of the oldest and most powerful forces of the night.

THE LYRE OF ORPHEUS, by Robertson Davies. 1988 closed with another offering from one of our finest writers today, Robertson Davies. Fans of Davies will be glad to pick up on many of their favorite characters and many new, and, always, slightly off-centered ones.

LOVE IN THE TIME OF CHOLERA, by Gabriel Garcia Marquez. From the Nobel Prize winning author of *ONE HUNDRED YEARS OF SOLITUDE*, this book is about a love in all its forms, including young love, married love, romantic love, and carnal love.

THE SUGAR MOTHER, by Elizabeth Jolley. This award-winning British-born Australian writer tells about an outback academic and his young obstetrician wife.

MIDNIGHT SWEETS, by Bette Pesetsky. A story about the life of an artist as she moves into the public world where art translates into big business.

BEAN TREES, by Barbara Kingsolver. *BEAN TREES* is Kingsolver's debut as a novelist. This notable first novel is one that focuses on characters in desperate circumstances, which they face with humor and optimism.

SHOW DOWN, by Jorge Amado. Amado, at age 75, has written yet another in a long line of highly acclaimed novels. This, his twenty-second novel, centers on the renegade beginning of Brazil's cacao region.

THE MAN WHO KNEW CARY GRANT, by Jonathan Schwartz. A touching and often funny story about the relationship of a father who must, alone and at a distance, raise his son while pursuing his successful career as a composer and lyricist in the theater.

A FRIEND FROM ENGLAND, by Anita Brookner. Brookner, often compared to Barbara Pym, writes a thought-provoking novel about the conflict that arises from one girl's privileged life and another's life of wanting.

THE RISK POOL, by Richard Russo. This is a novel about the conflict, deceit, ambition and honor of a roguish father's estranged relationship with his introspective son.

WAVERLY PLACE, by Susan Brownmiller. An author of two bestselling nonfiction books turns here to fiction. She writes a stunning book about a family tragedy that leaves one child dead in New York City's Greenwich Village.

THE MUSHROOM PICKER, by Zinovy Zinik. Zinik is a Russian novelist writing about the western world from a Soviet perspective. Here, he appears for the first time in English with his novel about a Soviet emigre incapable of fitting into his native culture or his new homeland abroad.

COMING UP AT THE LIBRARY!

FOX AND THE HOUND, Saturday, February 18, at 10:30 a.m. Join us for this special Disney animated feature film presentation. Pizza slices and root beer will be served at intermission. Registration is necessary.

LIBRARY HOURS: Tuesday through Thursday, 10-8; Friday, 10-6; Saturday, 10-1. 865-1181.

Bereaved Families Asked to Share Memories

WORCESTER - The Worcester Chapter of Compassionate Friends invites bereaved families of children who have died to its monthly meeting on Tuesday, February 21, at 7:30 p.m. in the Lee Room of the First Baptist Church, 111 Park Avenue.

Each member is asked to share photographs with the group, or other objects associated with his/her deceased child.

Compassionate Friends is a world-wide organization that offers understanding, sympathy and friendship to bereaved parents of all races and faiths. Brothers and sisters of children who have died are also encouraged to attend TCF's Siblings Group on the same evening. For more information, contact Linda Casey at 839-6390.

Assumption School News

Approximately 500 junior high students from the Diocese of Worcester gathered at Holy Name Central Catholic High School to view a presentation by the school's drama club.

"The Imaginary Invalid," by French writer Moliere, was performed under the direction of Richard Booth. This satiric piece dealt with issues of health and diet.

Sister Marguerite Norman and Rita Comeau accompanied 7th and 8th graders from Assumption School.

from Page 4

Lachance said the original agreement was prompted by a request from Sutton to handle waste from the Snyder Beef Processing Plant in Wilkinsonville. He asked Chase to get a copy of that contract with Sutton so he could review it.

After the reading of several pieces of correspondence, the meeting was adjourned.

Anniversary Books

MILLBURY - Books commemorating the celebration of Millbury's 175th birthday are now available at the Tax Collector's office at the Town Hall at a cost of $5.

Commemorative medallions are also available at the same office. The price has been reduced to $15.00.

Early Childhood Education Survey

MILLBURY - Members of the Early Childhood Advisory Committee were recently presented with the results of a parent survey conducted by Dr. David Maloney of Commonwealth Consultants. A survey of parents of pre-school youngsters was conducted by the Millbury Public Schools during the fall of 1988. The questionnaires were sent to 391 families in Millbury. One hundred sixty-four forms were returned, representing 41.9% of those mailed. The results of this survey will be used by the committee to develop a model program for Millbury.

The major purpose for conducing the survey was to determine the receptivity of parents to expansion of the pre-school programs provided by the Millbury Public Schools and to determine the needs of preschool education. The areas of cost, transportation, transition from kindergarten to grade one, public awareness of programs, special education services and day-care were considered.

The following were among the findings noted in the survey, which was tabulated by Dr. Maloney:

1. The number of forms returned far exceeded the typical number returned in a mailed survey. The significant level of return (41.9%) indicated a high degree of interest in early childhood education on the part of Millbury parents.

2. Another positive observation from the survey was the apparent success of the special education screening process of the Millbury Public Schools.

3. Findings included overwhelming support for the concept of pre-school programs for children, for the establishment of transition kindergartens and for a developmental program for "age-ready" kindergartners.

4. Another observation reported by Maloney as being significant dealt with the number of mothers who worked outside of the home. Specifically, as reported in the survey, 40% of the mothers worked part-time and approximately 19% worked full time. These facts, coupled with the strong belief (95.6%) that pre-school programs should be available for children by age three, point out a possible direction for the future programs.

Dr. David Troughton, Curriculum Coordinator K-12, and Mrs. Joanne Stowe, Director of Special Services, will be working with Maloney and the members of the Early Childhood Advisory Committee during the month of March to develop a set of recommendations for early childhood programs in Millbury. The results of the parent survey and the visitation by members of the advisory committee to model early childhood programs in central Massachusetts will assist the advisory committee with the development of early childhood programs in Millbury. Based on School Committee discussion and approval, the recommendations will be submitted for funding to the state department of education.

Members of the Early Childhood Advisory Committee include the following: Brenda Armstrong, Virginia Auciello, Joan Banks, Mary Blunt, Paula Bunevith, Carol Fotos, Pat Howard, Kelton Johnson, Janice Lerch, Deborah Lipkin, Elaine Loehmann, Karen Maguire, Betty Mazeika, Holly Oliveri, Linda Oroszko, Lynn Ovian, Diane Paluses, Bruce Pease, Sue Rogers, Sylvia Stepien, Joanne Stowe, Linda Tift, and David Troughton.

To View Chamber Repertory Performance

SUTTON - On Wednesday, May 24, 8th and 9th grade students from Sutton Memorial Junior-Senior High School English classes will travel to John Hancock Hall in Boston to view a Chamber Repertory Theatre performance of ***Tour de Force!*** They will be accompanied by Assistant Principal Veto Filipkowski and teachers James O'Dea, Beverly Johnson, and David Zaido.

Tour de Force! will present, in dramatic form, five well-known short stories: "The Fall of the House of Usher," by Edgar Allan Poe; "An Occurrence at Owl Creek Bridge," by Ambrose Bierce; "The Mouse," by Saki; "The Most Dangerous Game," by Richard Connell; and "The Ransom of Red Chief," by O. Henry.

Following the matinee performance, students and faculty will enjoy lunch at the Faneuil Hall-Quincy Marketplace before returning to Sutton.

Spaghetti Supper

SUTTON - The Senior Pilgrim Fellowship of the First Congregational Church of Sutton will hold its 11th Annual Spaghetti Supper at the church on Boston Road on Saturday, February 18, from 5 to 7 p.m.

Included with the Spaghetti and Meatballs will be Tossed Salad, Italian and Garlic Bread, and Chocolate Ice Cream Sundaes for dessert.

The price of tickets purchased in advance at the church office will be $4.50 for adults and $1.50 for pre-teens.

The price of tickets purchased at the door will be $5.00 for adults and $2 for pre-teens.

Coldwell Banker's Grafton Office Receives Award

GRAFTON - The Grafton office of Coldwell Banker was honored recently at Coldwell Banker's annual awards breakfast in Framingham for receiving the top office award for 1988.

This award came on the heels of an outstanding performance for the start up office which won top honors for the second, third and fourth quarter of 1988.

Also, winning individual awards were the following: Chris Gale, an award for outgoing referrals; Kathy Gale, award for being the number one listing broker in the state of Massachusetts (she also was inducted into Coldwell Banker's Circle of Honor for listings); Holly Oliveri of Millbury, who joined the office in February of 1988, was inducted into Coldwell Banker's President's Club.

Other members of the office are: Ron LaPierre, Grace Atchue, John Atchue, Janet Gerard, Donna Jankowski, Mary Kelley, Peggy Marshall, Nancy Packard, Mike Revelli, Paula Salem and Charmaine Venuti.

The members of the Grafton office would like to thank residents of the Blackstone Valley for their continued support and trust.

Dessert Whist

MILLBURY - The Women's Fellowship of Raymond Memorial Congregational Church, 5 Raymond Street, East Millbury (near Exit 11 of the Mass Pike), will hold a Dessert Whist on Wednesday, February 22, at 1:30 p.m. Dessert will be served first.

Tickets are $2.00 and may be bought at the door. There will be prizes and attendance gifts.

In the event of stormy weather, the party will be postponed to March 1. For more information, call 799-2622, 757-8763, or 755-3591.

YMCA Camp

WORCESTER - The YMCA will host a Camp Fair on Saturday, March 4, at the Higgins Center of the Greendale Branch YMCA on Shore Drive in Worcester from 11:30 am.-2:30 p.m.

Camp Frank A. Day, a YMCA camp operated by the West Suburban YMCA in Newton, is a resident camp for children ages 7-15 located on Lake Quacumquasit in East Brookfield. The Worcester YMCA also offers two day camps, one in Sutton and the other in West Boylston.

Call 798-2512 for more information.

Women's Bowling League

Pat Gaspar rolled another super triple, a 332, with strings of 110-117-105. Gail Higginbottom rolled second high with a 303, strings of 87-121-95. Third high was rolled by Ann Coons, a 289, strings of 92-98-99.

Gail Higginbottom rolled high single with her 121.

Rolling "100 and Over" were: Pat Gaspar, 110-117-105; Gail Higginbottom, 121; Charlotte Gabree, 110; Ellie Sulham, 106; Bobbee Bernard, 100; and Barbara Murray, 100.

Recently Wed

Miss Debra-Lyn M. Moore and Jeffrey Shawn Jensen were married September 24 in St. Brigid's Church, Millbury. The reception was given at Patrick's in Uxbridge.

The bride is the daughter of Mr. and Mrs. Barry Moore of 34 Hilltop Street, North Grafton.

The bridegroom is the son of Mr. and Mrs. William Jensen of 17 Millbury Avenue, Millbury.

The Matron-of-Honor was Darlene Adams and Best Man was Barry Jensen. The wedding party also consisted of a flowergirl, ring bearer, six bridesmaids, and six ushers.

The bride is a graduate of Grafton Senior High School and attended Mount Ida College, Newton. She is a clerical auditor at United Parcel Service, Shrewsbury.

The bridegroom is a graduate of Millbury High School and Emerson College, Boston. He is a self-employed videographer.

After a three-week honeymoon trip to England, Wales and Scotland, the couple is residing in Shrewsbury.

Whist Party

WORCESTER - The Agenda Society and the Friendship Circle of the Lake View Congregational Church, 115 Coburn Avenue, will hold a Whist Party on Friday, February 17, at 7:30 p.m. Tickets are $2.00. There will be prizes, and refreshments will be served.

For further information, call 755-3591.

Attends Career School

MILWAUKEE, Wis., - Robert Polselli, a special agent for Northwestern Mutual Life Insurance Company, was selected to attend a two-week career development course at the firm's home office in Milwaukee.

The program included the study of estate planning, taxes, pension plans, disability income and business insurance under the direction of the company's management staff.

Polselli maintains an office at 111 Elm Street, Suite 103 Worcester, and is associated with the Richard G. McKenney General Agency.

Northwestern Mutual, "The Quiet Company," has over 6,600 agents coast to coast and is the nation's tenth largest life insurance firm, with assets of more than $22 billion. The company was ranked as "the most admired" among life insurance firms in surveys conducted the past six years by Fortune magazine.

Burning Permits

MILLBURY - The State's burning season runs from January 15 to May 1, conditions pending.

In view of a potential drought in the spring and summer, the State, or local communities, may shorten the burning season this year.

Applications for permits can be obtained on Saturdays at Fire Headquarters, Elm Street, from 9 a.m. to 1 p.m.

Volunteers Sought for Cable T.V. Committee

MILLBURY - The Board of Selectmen is soliciting volunteers to participate on the Cable T.V. Oversight Committee. Anyone interested in serving on this committee may contact the Selectmen's Office, Municipal Office Building, 127 Elm Street, telephone: 865-4710.

Film Series to Feature The Fox and the Hound

MILLBURY - On Saturday, February 18, at 10:30 a.m., the Millbury Public Library, 128 Elm Street, will present the third movie in its four part "Saturday at the Flicks" series. This film presentation will be the Disney classic, not available in video, *THE FOX AND THE HOUND*.

Pizza and root beer will be served at intermission. Registration is necessary.

DEADLINE

The deadline for all submissions to the *Millbury-Sutton Chronicle* is 12:00 noon on Saturday of the week prior to publication.

From the Sutton Libraries

Books and More...!

By Joanne N. Donnelly

Time for the annual facts and figures reporting, and what a year it was! Circulation for the Center Branch was 29,086 and for the Manchaug Branch, 2,360, which represents a 22% increase in total circulation over the last year.

An additional 1423 books were added to our collection, with approximately 1/3 of that coming in the form of gifts from patrons.

We concentrated on reference books for young children, especially for the Manchaug branch. We have added 33 videocassettes and 32 audiocassettes, and the collection is now enhanced by compact discs from the Central Massachusetts Regional Library System.

We borrowed 592 books from the Bookmobile, which stops every three months to give us both fiction and non-fiction along with compact discs and recordings. The Large Print Van supplies us with books and books-on-tape for the visually impaired and gave us 23 books to add to our own collection of large print materials. The CMRLS also supplies us with a packet of ten videos every three weeks, and sent 35 tapes to be viewed by the Council on Aging on Tuesdays. Another service of the CMRLS is the Inter-Library Loan with which they filled 88 requests for titles; coming from as close as the Millbury Library and as far as the University of Arizona.

The library sent $474 to the Town Treasurer, $26 being from the Book Sale in October, $8 from our new copy machine, and the rest from overdue fines on books and videotapes. Fines are still 5 cents per book, $1.00 per video.

We welcome Karen Maynard, Irma Whitney and Sally O'Day. Along with Carole Anderson, they make up a staff any Director would be proud to have. Annette Ford left us last Spring, but we consider it just a "Leave of Absence," and she helps us out every now and then.

Each library was given two more hours to operate this year; and Margaret Alger, Librarian at Manchaug, assisted by Margaret Ritchie, chose to place her two hours on Wednesday afternoons, from 12:00 to 4:00 p.m. This gives young mothers a chance to fit the library in with naps, lunches, fixing suppers, etc. The Center Library expanded its Saturday hours and is now open from 10 a.m. to 5 p.m. Pretty soon the good weather will be coming, so you people in Manchaug, time the walks for Wednesday afternoon, and the rest of you will have to be coming through the Center for some reason on a Saturday. No excuses or wondering when the library is open - we'll get you on dump runs, soccer runs, C.C.D. or Megabucks' trips.

Our Storyhour and Summer Reading Program were given with the aid of Beth Lucek, Sharyn Petkus and Carol Burke, who all did wonderful jobs, each in their own style. There were many summer residents, armed with their children's required (or suggested) reading lists, who found out what our year-rounders have found; and that is that we do our best to have or get what they need. Keep those kids and assignments coming.

Our thanks to the Sutton Arts Lottery Council for an award which will enable us to have a storyteller come on a Sunday afternoon in the spring. A Municipal Equalization Grant of $6,338 was received by the town and has just as many places to go. First on the list are new card catalogs for adults and children alike.

Beverly Anderson took the place of Joan Smith as Trustee, and we thank Joan for all she has done and for her interest on the library's behalf. Bev joins Carl Hutchinson and Lester Aldrich on the Board.

Ann-Marie MacNeil brought her Bluebirds in for a tour of the Center Library in October; we extend an invitation to any club or organization to do the same. We'd be most willing to come to a school and give a talk about what we can offer here or at Manchaug. All you have to do is ask.

There is a display by local craftspeople at the Center Library. It was so well received we've decided to leave it there, with changes now and then.

At the present time, we have made room for state and federal income tax returns. What do you think about ten yards of black crepe as a background? Seriously, we have any form that you may need by reproducing them on our new copy machine. The forms are free, but there is a small fee for copying your completed return or extension form. We'll be open until 5 p.m. on April 15, although you have until April 17 this year. You meet the most interesting people at the Worcester Post Office on the last evening to file!

The Trustees met ten times last year, with only one absentee for two of the meetings. A reminder, the agendas and the minutes of the meetings are now on record at the Clerk's office for your perusal.

Last Spring, at a Special Town Meeting, moneys were given for "library improvements" and we are now in the Designer Selection phase.

The Director has attended several workshops, one on library automation, others on varied subjects from Medical Reference books to Regional Bookmobile Van capabilities, with Karen Maynard attending a community file meeting. Also for your information and perusal, we have added a newspaper rack for the Worcester Telegram, Boston Herald, Sunday New York Times, along with our local papers, The Millbury-Sutton Chronicle and Blackstone Valley Tribune.

Your Director, Joanne Donnelly, (me), has completed her rookie year and can only tell you it has been an exceptional, exciting, exhausting, exhilarating experience. It could only have been done with the staff, the trustees, the administration, the patrons and the family I have.

Extraordinary!

Local Student on Rensselaer Dean's List

TROY, NY - Rensselaer Polytechnic Institute has announced that James Tuttle of Millbury was named to the Dean's List for the fall semester. The Dean's List recognizes full-time students who maintain grade-point averages of 3.0 out of a possible 4.0 and have no grades below "C."

Tuttle, a sophomore majoring in Computer and Systems Engineering, is the son of Alan and Barbara Tuttle of Laurel Drive.

Sutton Planning Board Holds Three Public Hearings

SUTTON - The Sutton Planning Board held its first meeting of February on the 6th at 7:30 P.M. in the Town Hall.

Woodburyville Heights

Craig Ferrell, Planning Board Chairman, read the public notice and opened the hearing for Woodburyville Heights II at 7:30. This 80-unit condominium development is located on Boston Road, east of Woodbury Pond and across from Buttonwood Avenue. It is a limited density residential development (LDRD), much the same as a cluster development that was originally approved in 1987. Phase I has been underway for about a year and is nearing completion. Phase II is being revised to change the placement and orientation of a number of buildings. The revised plans for Phase II include 10 buildings with a total of 40 units as did the originally approved plan.

Representing the developers, Dave Lavallee presented the revised plan to the Board. He explained that the plan would eliminate steep grades on the road and therefore reduce the problems with ice and snow. In addition, Lavallee explained that this would create a better visual buffer from the high tension wires on site and that the revised plan will create more level spaces between some of the residential structures.

After Lavallee's presentation, the Board asked the developer, Matteo D'Annello, to submit 10 copies of the revised plan and directed Town Engineer Dick Wharton to check slope and drainage calculations with Morganroth Engineering. The public hearing on Phase II was closed at 7:48.

After the public hearing D'Annello and Bob Lucas requested the Board's approval of changes proposed to Woodburyville Heights Phase I, currently under construction. They asked to move one of the residential structures closer to the road while still maintaining the 50 foot setback requirement. They also showed the Board plans for three new condominium models approximately 150 feet smaller than the already completed structures. Formal plans showing the proposed revisions will be submitted to the Planning Board.

Southwick Way

At 8:00 the Board opened the public hearing on Southwick Way, a three-lot subdivision plan off Southwick and Purgatory Roads. Mr. Pannacione, the applicant and developer, presented the plan to the Board. Craig Ferrell then read reviews prepared by the Town Planner, Town Administrator, and Fire Chief.

The major concern raised in the three reviews was the proposed design of the access road which would require waivers from the Planning Board for pavement, road width, the cul-de-sac design, and drainage. The difficulty of maintenance and emergency access was also cited in the letters.

The Planning Board asked Pannacione to consider upgrading the poor section of Southwick Road leading up to his development since the Board was considering waiving some of the subdivision road requirements. The public hearing was closed at 8:30 P.M.

Orchard Estates

At 8:35 P.M. the Board reopened a public hearing for the Orchard Estates definitive subdivision plan. This was originally presented to the Board at the January 9th meeting, but, because of an improper description, was readvertised for tonight's meeting.

Orchard Estates is a 92-single family home subdivision proposal on approximately 70 acres off Leland Hill Road north of Hartness Road.

Craig Ferrell read comments from the Town's consulting engineer, Morganroth, and Dick Wharton gave comments regarding the possibility of Sutton connecting into Grafton's sewage treatment facility. The south Grafton facility is closer to Orchard Estates than is Millbury's plant, which Orchard Estates is currently planning to hook up with. In addition, the Grafton plant could be accessed by gravity flow without the help of pumping stations which are currently included in the subdivision plans.

Philip Davis and K.N. Srinivasa reviewed the plans with 10 or so abutters who turned out for the hearing. The main concerns raised by the abutters were the increase in traffic and the capacity of the water and sewer systems. Srinivasa went over a traffic study that was prepared for the development and said that the formal report would be made available to the general public.

Ferrell read a letter from Bob Judson of the Wilkinsonville Water District describing the District's plans to bring water lines down from Millbury to Wilkinsonville to increase the system's capacity. Based on this extension being made, the District should have its additional capacity by the spring and would be able to service both Orchard Estates and Colonial Acres. The public hearing was closed at 9:15 P.M.

Extensions on Subdivision Decisions

At the open regular meeting, the Planning Board approved a request for an extension of time to act on the definitive plans for Orchard Estates and Colonial Acres until April 14th of this year. This will give the Board enough time to consider the review of the consulting engineers on drainage, and additional concerns raised by the Town Engineer and Planner regarding the impacts of these two developments.

Karl Kasierski, of MJ Casa, was given an extension for the Tournament Hills definitive plan until March 21st.

David Lavallee's request for an extension on Emeral Drive, Pleasantdale II, and the Wachusett Drive Extension definitive plans until April 14th was also approved.

Etcetera

During the meeting, the Planning Board also considered a request for reducing the bond for Burnap Industrial Park, which the Town Engineer is currently reviewing. The Board will be sending letters to Rene Herbert of Sutton Motors and Hanratty Brothers in the Burnap Industrial Park regarding improvements approved by the Board that must be made on site.

The Board considered a request by Dennis Tighe for road design waivers for a one lot subdivision off Leland Hill Road. Tighe will be submitting a conceptual plan to the Board.

After the Board reviewed work in progress and yet to be done on subdivisions, the public meeting was closed at 10:50 P.M.

MORIN

from Page 5

former South Korean Pres surrendered over $24 million he absconded with while he was pres.

SPEAKING of Bums! How about that teenager who is suing his parents for bringing him into the world without his consent. Al Grahn of Finland filed a lawsuit against his parents for allegedly depriving him "of the bliss of non-being through a willful and wanton act of conception" according to newspaper articles....**DID YOU** know that your faith gets a real test when you find yourself in church with nothing less that a $10 bill in your wallet at collection time? Good grief! What to do!...**OH! MY ACHING BACK!** Prior to our bypass operation, the hospital was kind enough to present me with a "What to Expect" fact sheet. What caught our attention was the listing of tubes-hoses which would be planted in us, around us, on top, below, etc. etc. Here is the listing:

1. Breathing Tube
2. Chest Tube
3. Intravenous Tube
4. Bladder Catheter
5. Monitor
6. Mesogastric Tube

The next comment was: "How you May Expect to Feel!" Ha-ha. Only one way honey - **LOUSY!...DID YOU KNOW** that in Wisconsin a law was passed which allows blind people to hunt - they must however, be accompanied by a sighted person. Well, I should hope so!...**SUNUNU?** Colloquial, Arabic origin; small delicate bird. But the real Sununu is said to be as delicate as a pit bulldog!...**POLITICS** isn't a bad profession; if you succeed there are many rewards (I'll say!). And, if you disgrace yourself, you can always write a book and make a mint on it....**YA KNOW** what hurts is when those politicians parlay their job earnings into a huge pension plan, sometimes into the millions. We get a lousy sick benefit check and it's taxed, leaving the little guy to fend for himself....**THAT RADON** scare was something else, wasn't it? We all ran out and spent 20 or 30 bucks for a doo-dad that they now say really didn't give a true reading. Ripped off again...**HEY!** What's this about those fancy dishes, you know the ones painted with those floral prints or whatever. They say they could cause cancer down the road. Lead poisoning! How about that!...**GET YOUR BUTTS** indoors, hospital tells smokers. A hospital's anti-smoking policy has gone up in smoke because it sent too many patients, doctors and nurses outside to light up. There were so many docs, nurses and patients outside that work was coming to a standstill. The policy was changed to accommodate the smokers....

THEY SAY the cheapest and most effective deterrent to burglary is a dog, because dogs make a lot of noise and have sharp teeth and a burglar wants no part of that....**STRANGE** case of that gentleman found dead sitting on top of that garbage can. Evidently he sat there one evening, fell through, couldn't get out; froze overnight on the porch. He waved to passersby for help, they thought he was saying Hi!...**THE DIPSTICK** of the Month Award goes to those anti-freeze manufacturers who doubled the price of their product just before winter set in. Ditto to the airlines who jacked up their prices before the Thanksgiving rush! God Bless America!

ALL RIGHT, me friends, 'tis time to say Adieu until we meet again. It's been great being with you, hope you enjoyed part or all of this potpourri of the printed word. We socked it to em! But for every Bad Apple Bozo politician, there are five out there who are honest, considerate and truly dedicated. (And when you meet one, let me know). Ha-ha. All kidding aside friends, it takes all kinds, right? God Bless you and especially all those Bozos out there, they need it the most. Keep a smile on your face and a song in your heart. Your pal,

Joe Morin

Who Bids You Peace!

Aroun' The Town & Golden Agers Update

By Lillian C. Sheehan

PISCES, the fish, is ruled by Neptune, a planet of mystery and fantasy. Pisces natives are usually quite congenial and adapt easily to new environments. They are sensitive and helpful because they seek the ideal. Pisces may see things the way they want them to be, instead of the way they are. However, this is just their form of optimism.

NOTES OF INTEREST: Buttons date back to before the time of Christ, but the buttonhole was not invented until the 13th century. Until then, buttons were ornaments.

Violets are second only to roses as a favorite of the poets. A sure sign of Spring, the violet has also been a symbol of love, modesty, and luck. It was the flower of Athens and the badge of Napoleon. Medieval priests supposedly grew violets to ward off evil spirits.

VALENTINES: Historians call the Duc d'Orleans the father of the modern Valentine card. He sent the first Valentine card to his wife in 1415 when he was imprisoned in the Tower of London.

During the next 400 years, Valentine cards were decorated with much solemnity. It was necessary for the cards to be handmade and highly original. They were very formally presented with much ceremony. Quite often the Valentine card served as a proposal for marriage.

In 1848, the first popular Valentine cards were sold in the United States. Since them, Valentine cards have become so popular that more cards are exchanged on St. Valentine's Day that on any other day of the year.

MILLBURY ARTS COUNCIL: once again, a reminder that applications for the Spring Funding Cycle are being accepted. If anyone is interested, he or she may obtain an application form at the Millbury Public Library or the Town Hall.

A reminder also that old application forms are obsolete and the new one is the only one that will be accepted. The new application form must be typed and two additional copies must be made besides the original. These applications may be deposited in the box at the town hall or brought to the March 13 meeting in the town hall.

MILLBURY GOLDEN AGE CLUB: Bea Tift is taking reservations for a trip to the Colonial Restaurant in Webster for Wednesday, March 8. The bus will leave St. Brigid's parking lot at 11:00 a.m. The cost of the luncheon and the bus is $15.00. The choice of menu is Roast Beef or Seafood Casserole.

Jake and Doris Army are taking reservations for the trip to the Poconos in May. Details later.

WIT AND WISDOM

Rates subject to change without notice. Interest rate is adjusted annually based upon the weekly average yield on U.S. Treasury Securities, adjusted to a constant maturity of one year or three years, as made available by the Federal Reserve Board, plus the applicable margin. The above rate reflects a discount of 1.125% from the regular rate which would have been in effect using the most recently published value of the index for this product plus the pre-selected margin of 2.00%. The discounted rate is available during the first year only. The Annual Percentage Rate is based upon closing on the first day of the month, on owner-occupied property, with a minimum down payment of 10%.

Selectmen Discuss Landfill Closing

By Terry Barnicle

SUTTON - The Board of Selectmen held its weekly meeting on February 7 with Chairman Mike Chizy and board members Rick LaBonte and Mary K. Connor in attendance.

Chicken Farm Study

At a 7:30 Workshop Session, Linda Roach, representing Sutton's Affordable Housing Committee, appeared before the board to request approval of a grant application for an engineering survey of the chicken farm land located in Manchaug center. She reported that the committee has walked the area.

The selectmen voted to approve the grant application.

DMH Letter of Understanding

Also at the workshop session, Chizy presented a letter of understanding to the board from the State Department of Mental Health regarding the DMH facility on West Sutton Road.

The Selectmen agreed to accept the letter of understanding between the DMH and the Town.

Landfill

The regular meeting began at 8:00 p.m. with a discussion of the closing of the town landfill.

Richard Cox, of Cox Engineering, said that his company performed a study of the area over-excavated (the gravel pit) to supply a final closure plan. "No official approval was given for the brush-disposal area as it was outside the approved area," Cox said.

Cox also said the state asked that the plan be revised to "go up vertically from where we are now, peaking at a 4 to 1 grade, which will get us to 1991."

According to Cox, the average usage is one ton per person, per year. "The plan is now ready to go back to the state," he said.

Cox also reported that there is still land to the east of the site and 15 acres of usable, untouched land if the town maximizes the use of the site. According to Cox, any use of the site would require a liner.

The obvious approach, Cox said, is to excavate and line two acres. "Assuming a 30-foot depth, one to one and a half years is the life per acre," he said.

Alex Trenta, Chairman of the Solid Waste Disposal Study Committee, said that space could be saved by compacting. He also noted that the state wants to phase out unlined landfills by 1991.

According to Trenta, his committee will be meeting with Shrewsbury officials and will have a proposal for a recycling program in eight weeks.

Dick Wharton, Town Engineer, told the board that the best chance of obtaining state funding is by recycling, which saves a lot of money.

Cox then said that positive information from the state is needed by summer because the present area being used will be filled by then. He recommended that a revised plan be submitted to the state and suggested that the selectmen obtain a written agreement with the state. He also recommended that residents be asked to use plastic bags when dumping to avoid having trash blown around by the wind.

Dexter Blois, Town Administrator, recommended weighing trash to get an estimate of the amount of rubbish dumped per year.

Cox suggested that the town be placed on Wheelabrator's waiting list. Agreeing with Blois' recommendation to weigh trash for estimate purposes, he added, "At Wheelabrator, we'll be penalized if we are over or under the agreed amount."

Landfill Permit Suspension

Blois presented the board with copies of a letter he sent to Paul Watts of Mendon Road. The letter stated that Watts' residential permit to use the landfill was being suspended because he was allegedly using the landfill for business purposes, without a business permit.

Ray Smith, of the Highway Department, said that Watts was bringing in truck tires repeatedly, after being told not to.

Watts replied that the material was from his yard and that he'd seen others doing the same thing.

Selectwoman Connor responded, "You still need a business permit even if you're doing business from your home."

Chizy recommended that Watts get a commercial hauler to take the material away.

Watts then replied that he was being harassed by the Selectmen, to which Chizy responded, "See the Town Administrator if you feel you're being harassed by a town employee, but that's irrelevant to this hearing."

A residential permit was reissued to Watts when he said he would restrict his dumping to the proper material and would not dump any commercial goods.

Recurring Barking Dog Complaint

John Millette of Burke Lane returned to the board regarding a dog owned by Jesse Ellis of Old Boston Road. Millette complained that the dog is not restricted during the daytime.

A police report said that the area was checked four minutes after receiving a complaint and no barking was heard. Chizy also said that he heard nothing on many trips past the house.

Mrs. Ellis maintained that the dog is put out during the day only to relieve himself. "He was an outdoor dog and is now made into an indoor pet," she said.

The board voted to let an original order stand as is.

Adjournment followed at 9:30 p.m.

Some People Were Flipping Over in Millbury and Sutton On Sunday

MILLBURY - The people who often enjoy themselves the most at any fundraiser are the behind-the-scenes workers. From the smiles on these faces at Engine Company 2's pancake breakfast, these workers were no exception.

SUTTON - It looks like it took nine and one-half members of the Sutton Lions club to cook those eight pancakes. (Hey guys, It probably would only have taken one woman to do the same job.)

National Merit Scholarship Finalists

MILLBURY - Millbury High School Principal Daniel C. Carmody has been notified by the National Merit Scholarship Program that Seniors Scott Pease (right) and Michael Tift have been selected to be National Merit Scholarship Finalists.

Scott and Michael are now eligible for one of 6,100 Merit Scholarships. This process is now in progress and will be completed during March and April. The National Merit Scholarship Committee will announce the names of Merit Scholars sometime between April and mid-May.

Scott is the son of Mr. and Mrs. Bruce Pease of West Main Street. Michael is the son of Mr. and Mrs. Raymond Tift of Forest Drive.

Under the watchful eye of a Sutton Lion's Club member, Elaine Deeter and her son enjoy pancakes while Jim Deeter takes a snooze between courses at the Sutton Lions Club pancake breakfast.

AAS Exhibit on Charles Dickens in America

WORCESTER - Charles Dickens' travels in America in 1842 and 1867, including an appearance at Mechanics Hall in Worcester, are the subject of an exhibit at the American Antiquarian Society, 185 Salisbury Street. Organized by Theresa Davitt, a member of the Dickens Fellowship of Worcester, the exhibit is open to the public until March 3, from 9 a.m. to 5 p.m., Monday through Friday.

Although the reaction to Dickens' observations of America was not always favorable, especially in the accounts of his campaign to convince the American publishing community to support an international copyright agreement, the popularity of his books made him a great success on the public-speaking circuit. The exhibit chronicles, through personal accounts, correspondence, newspaper and magazine articles, and poetry, how well the author was regarded. People waited in long lines overnight to purchase tickets to his readings, invited him as their honored guest to dinners and balls, and immortalized him in verse and commissioned portraits.

Included in the display are unique items such as the Dealings with the Firm of Dombey and Son, The Mystery of Edwin Drood, Part Second of the Mystery of Edwin Drood By The Spirit-Pen of Charles Dickens Through a Medium, parlor games based on the Pickwick Papers and Oliver Twist, and the "Pickwick Gallop" and "Boz Waltzes," sheet music dedicated to Dickens.

Free public tours of the Society are offered every Wednesday at 2 p.m.

Women's Aglow to Hold Men's Night

UXBRIDGE - The Blackstone Valley Women's Aglow will hold its Annual Men's Night on February 21, at 7:30 p.m. at the Polish American Hall on Route 16. Coffee will be available at 7:00 p.m.

Ernest and Anne White, founders of Harvest Ministries, will be the guest speakers.

What's the Difference?

By Pat O'Leary & Larry Ham

HOW TO PLAY: The answers to the two clues are the same except the beginning consonant sounds are switched. For example: What's the difference between a neckwear fastener and a metal pan for baked desserts? One is a TIE PIN and the other is a PIE TIN. Sound counts, not spelling.

1. A pursued policeman and a split lid?

A [ ] and a [ ]

2. Library lamps and directing rituals?

[ ] and [ ]

3. Drinking on the ski-hill and sliding on the detergent?

[ ] on the [ ] and [ ] on the [ ]

4. Pate de foie gras and a relaxed donater?

[ ] a [ ]

5-3

ANSWERS: 1. A tracked cop and a cracked top. 2. Reading lights and leading rites. 3. Sipping on the slope and slipping on the soap. 4. Goose liver and a loose giver.

The annual running of the three-year-olds at Santa Anita

Millbury Public Schools Physical Education Fitnessgram

HIGH SCHOOL: the January selections for "Student of the Month" were Eric Nielson and Phivachira "B" Pimsri, and eight graders Amy Laforte and Matt Tella.

Nice to see all the "200 Club" shirts in the gym. Students seem to be taking greater pride in their health and fitness this year. More students than ever before qualified for the "200" Fitness Club.

COMING EVENTS: in March, Millbury High and Eighth Grade students will participate in the first annual obstacle course run. Teachers are presently designing the items to be included. Times will be recorded for every pupil. Awards will be presented to top achievers.

January "Students of the Month" (l to r) Phivachira Pimsri, Eric Nielson, Matt Tella, and Amy LaForte

MIDDLE SCHOOL: the winter activities at the Middle School, between Christmas and February vacations, have been basketball and floor hockey. Floor hockey continues to be a very popular activity. With all players being required to wear safety eye guards, the activity has become safer and more enjoyable.

A winter intramural program began the end of January. Each grade level (4,5,6, and 7 combined) will have six after school sessions. The sessions, from 2:30-3:30, will allow the students more game time in the various physical education activities. Some of the activities include basketball, floor hockey, volleyball and team handball. Transportation home is provided.

The dates for the intramural sessions for each grade are as follows: GRADE 4, February 27, March 6, 13, 21, and 27; GRADE 5, March 1, 8, 20 and 28; GRADE 6 & 7, February 28, March 7, 14.

In Kindergarten physical education, we are at the half-year point when the morning classes switch with the afternoon classes. It is a pleasure to have physical education continuing through June for these students. Previous to this year, physical education would be finished at this time.

Presently, the classes are involved in a gymnastics unit which the children seem to enjoy very much. This unit improves their body coordination, balance, upper and lower body strength, movement in space and movement to music.

Pupils have been performing on the mats, walking the balance beam, riding the scooter, walking on stilts, climbing the ladder, turning on the low rings, and using hoola hoops and streamers.

We continue to jog to music at the beginning of each class in order to keep our heart muscles strong!!!

Volunteers Needed for Respite Program

WORCESTER - The Age Center of Worcester Area, Inc. is seeking volunteers to provide respite care to families of homebound elders. Respite care workers give supervision and companionship to a homebound elder, permitting the caregiver of that elder to leave home for several hours knowing her relative is being safely cared for. Respite care workers may serve a light snack but are not expected to do personal care or homemaking tasks. Respite volunteers receive training, supervision, and a modest stipend. To learn more about the program, contact Helen Sumpter at 755-4388.

Students to View Production of Macbeth

SUTTON - On Monday, April 24, twenty-five senior "Survey of English Literature" students from Sutton Memorial Junior Senior High School, accompanied by their teacher Beverly Shaw Johnson, will travel to the North Shore Music Theatre in Beverly, Massachusetts. There, they will view a professional production of Shakespeare's famous tragedy, ***Macbeth***.

This field trip is the culmination of a major study unit on Renaissance English literature, including Elizabethan poetry, music and lyrics, prose, and two Shakespearean plays: ***Macbeth*** and ***A Mid-Summer Night's Dream***.

In addition, students are engaging in extensive independent research for projects which they will present at a day-long Elizabethan Banquet in May. Students will plan the menu, prepare the food, and participate in "living history" projects as famous people from the Renaissance.

Nominations Being Taken for Outstanding Community Volunteer Awards

WORCESTER - Nominations are now being accepted for the 10th annual Outstanding Community Volunteer Awards, sponsored by the Voluntary Action Center (VAC) of United Way of Central Massachusetts.

Five outstanding community volunteers and one volunteer program are chosen each year by a panel of independent judges to be honored at a special ceremony. This year, to mark its 10th anniversary, a corporate award will also be presented to the company that best personifies the spirit of volunteerism through the encouragement and support of employee involvement in community service.

Award presentations will take place at a noontime celebration at Mechanics Hall on April 14, during National Volunteer Week, April 9-15.

The deadline to submit nomination forms is February 24. Forms are available at United Way of Central Massachusetts, 484 Main Street. For additional information, contact Barbara Stewart at 757-5631.

Millbury Planning Board Notice of Public Hearing

In accordance with the provisions of Chapter 40A, Section 11, M.G.L., the Millbury Planning Board will hold a public hearing at 8:00 p.m. on Monday, February 27, 1989 at the Municipal Office Building, 127 Elm Street, Millbury on the application of C & C Developers, Stephen Chabot and James Cormier, 22 Sullivan Place, Millbury for a Site Plan Special Permit under Section 12, Article 1 and a Multifamily Special Permit under Section 14.11(a), Article 1 to have a two story structure containing eight (8) apartments and retail space.

Said property is located at the corner of South Main Street and School Streets at the site of the former Millbury Motors Building.

Anyone wishing to be heard on this application should appear at the time and place designated above.

Anna Lewandowski
Chairwoman
February 16 and 23, 1989

EVERYTHING YOU DIDN'T WANT TO KNOW ABOUT AIDS. BUT SHOULD.

To start with, you don't have to be gay or a drug user to get it. AIDS has hit these two groups hardest because the AIDS virus hit them first, before anyone knew why or how people should protect themselves from it.

And the virus is spreading. Scientists report that about one and a half million people are already infected.

You can't tell who has it and who doesn't. Most people who have the AIDS virus don't even know it. They don't look or feel sick. It can take up to ten years for symptoms to show up. So people who seem perfectly healthy can pass the virus on to others.

HOW IS IT PASSED ON? One way is shooting up drugs with someone who's infected and sharing the needle. But most people catch the AIDS virus **THROUGH SEX.** A woman can catch it from a man. A man can catch it from a woman. A man can catch it from a man.

Obviously, the surest way to avoid the virus is to avoid sex. If you do have sex, **YOUR BEST PROTECTION IS A LATEX CONDOM** with spermicide. Use them every time, from start to finish, according to the manufacturers' directions.

You can ignore these precautions only if you and your partner have been together for at least 10 years, and both of you have been totally faithful.

Otherwise, **DON'T MAKE ANY EXCEPTIONS.** Because the one time you do can be the one time you shouldn't have.

HELP STOP AIDS. USE A CONDOM.

Honored for Outstanding Achievement in Women's Sports

BOSTON - State Representative Paul Kollios (far right) recently greeted (l-r) Millbury High School Principal Dan Carmody, Millbury Athletic Director Richard Garabedian and Millbury High students Beth Krumsiek and Wendy Stead.

The students were honored at a ceremony in the House Chamber of the State House on National Girls and Women in Sports Day.

Wendy and Beth were honored for outstanding achievement in women's sports.

Meet Dot Kupcinskas and Lillian Pride

As Dot Kupcinskas (right) says, "Where would we be in this world without volunteers." Dot volunteers her valuable time at the Elmwood Street School Library one day a week. After working as a secretary for 17 years, she decided to try helping out in the library for "just one day." She realized that there was much work to be done and that they could use her help, so four years later she is still there.

Dot raised a son, who is married, and she is looking forward to becoming a grandmother in April.

Lillian Pride's husband Leroy serves on the School Improvement Council. She has two sons, Thomas and Jonathan. Jonathan Pride is a teacher in the Millbury schools and he encouraged his mother to get involved.

Lillian was a nurses' aide for many years, retiring four years ago. She tried her son's suggestion and works one morning a week at the Elmwood Street School Library. "I like to keep busy," Lillian says, "and I find time goes by fast here. Also, Edna Kotomski, the librarian, really appreciates my help."

They both agreed that it is also fun to be involved with the children.

The library staff and children of Elmwood Street School all agree they are very fortunate to have friends like Dot and Lillian.

...with Low-Cost Loans from MCU!

All MCU members share fully in our success.

One major benefit of membership in the Millbury Credit Union is the availability of low-cost loans...for New and Used Cars, Home Improvements, Second Mortgages, and for Personal Loans, too. Our fixed rates are always competitive, and our service is the best.

How can you become an MCU member?

Simply open a savings account for $25 or more...and you're immediately eligible to share in the complete range of MCU financial services.

Join today...and begin to share our success!
